- Each child is required to register and pre-pay for a minimum of 2 weeks.
- Registration includes a Summer Camp T-Shirt. Additional T-shirts may also be purchased.
- Extra hours available for \$8/hour from 6:30 am - 8:30 am and in the evening from 4:30 pm - 6:00 pm.

Week 1: June 20-24

Arts & Crafts

Discover all the wondrous things you can do with simple craft items and a whole lot of creativity and imagination. Painting, sculpting, collage-making, and bead work are just a few of the projects.

Week 2: June 27-July 1

Lil' Green Thumbs!

Children will experience all the magic of learning how to plant flowers and vegetables and the importance of being "green." Kids will get a good handle on the ins and outs of soil, seeds, and more!

Week 3: July 4-8

Board Games

This week will be devoted to the classic board games like Chutes and Ladders and Candy Land! We're turning off technology and learning about interacting with others and competing the old-fashioned way!

Week 4: July 11-15

Lego Building

Children will have access to thousands of building blocks to stir their imagination and creativity. The possibilities will be endless. Our future engineers and architects will be in their glory!

Week 5: July 18-22

Science Galore

With cool science experiments and clever investigations, kids will be exposed to all the basics of science and how it affects their daily lives. A fun-filled week for sure with lots of learning and discovering.

Week 6: July 25-29

The Magic of Music

A week filled with learning about the basics of music. Kids will play various instruments, sing and learn basic notes. They will even make some instruments themselves to bring home and use!

Week 7: August 1-5

Dinosaurs & More

Kids will turn into paleontologists for the week. Digging up bones and recording their findings will keep them busy. A great week for uncovering clues and working with others as a team.

Week 8: August 8-12

Recyclables at Work

We will be teaching the benefits of recycling and what can be reused for other purposes. Kids will learn about why we must not waste and how to repurpose various products through creative projects.

Week 9: August 15-19

Lions and Tigers and Bears

Each day the children will learn about different animals and the way they live. Many exciting projects and activities will showcase the animals, their habitats and how we interact with them.

Week 10: August 22-26

Outdoor Adventure

To celebrate the end of summer, kids will spend the entire week outside filled with fun activities. We will enjoy lots of sunshine, water, sand and other outdoor activities. A great way to end a great summer.

Our services include:

Day Care - Pre-School - Latchkey/Educational Programs - Library and Reading Room - Child-Themed Parties
